### ***Organisation of international conferences, congresses, and exhibitions***

---

#### **Organisation of the exhibition *Kant24/Dare to know!* (March 19 – May 22, 2024)**

Open every day, from 10.00am to 6.00pm, at Palazzo Turchi di Bagno – Corso Ercole I d’Este 32, Ferrara. Through the exhibition, for the first time ever, the first editions of Kant’s major philosophical works have been on public display in Italy. The exhibition (in Italian, English, and German) shone light on the high-water marks of the European Enlightenment, with a particular emphasis upon events in the lives of Enlightenment philosophers and their place in popular culture. The exhibition has been visited by 2.442 persons.

The exhibition moved then to the Civic Museum of Biassono (June – September 2024) and the International Philosophical Research Centre “Centro Internazionale Insubrico Carlo Cattaneo e Giulio Preti” (September – November 2024).
